DESIGN YOUR ENVIRONMENT

Worksheet

The goal is clarity and direction.

1. YOUR ONE BIG GOAL (THE LEVER)

What is the one goal that, if achieved, would make the rest of your life easier or more aligned?

My One Big Goal:

Why this goal matters to me now:

How achieving this would improve my life, my children, my health, or my future:

What emotions I want this goal to create (peace, pride, confidence, freedom, etc.):

---

2. DESIGN YOUR YEAR (MONTHLY FOCUS)

For each month focus on what you want to achieve. These monthly goals support your one big goal.

Month 1:

Month 2:

Month 3:

Month 4:

Month 5:

Month 6:

Month 7:

Month 8:

Month 9:

Month 10:

Month 11:

Month 12:

---

3. DESIGN PLEASURE INTO PROGRESS

Your mind moves toward reward. Attach good feelings to rewards.

Material things you want:

• Item 1:

• Item 2:

• Item 3:

• Item 4:

• Item 5:

Experiences you want to have:

• Experience 1:

• Experience 2:

• Experience 3:

• Experience 4:

• Experience 5:

Reflection:

How much pleasure am I willing to endure?

What am I taking from my imagination to material reality?

---

4. DESIGN YOUR ENVIRONMENT

A. Physical Environment

My home currently feels: (circle or describe)

Calm / Neutral / Heavy / Chaotic / Draining

Small changes I can make this week:

Remove:

Clean or reorganize:

Add (lighting, plants, workspace, gym gear, etc.):

Spaces that make me feel focused or peaceful:

Places I want to spend more time in:

B. Emotional Environment

What are ideal emotions for me to be in as much as possible?

---

5. DESIGN YOUR INNER CIRCLE

The people around you influence your mind, results and standards.

Current Inner Circle Audit:

People who move forward and support growth:

People who keep me in reaction or negativity:

People I want to invest more energy into:

Standards for My Inner Circle:

The energy I want around me:

_____

Conversations I want more of:

_____

Behaviors I no longer tolerate:

_____

Boundaries:

One relationship where I need a clearer boundary:

_____

What that boundary looks like:

_____

6. DESIGN YOUR "NO"

Design is subtraction before addition. Things that no longer get access to your time:

_____

_____

_____

7. BUILDING THE IDEAL SELF

(Preview for Next Module)

Describe the ideal version of you:

How I think:

How I decide:

How I speak:

How I handle relationships:

How I move through my day:

FINAL REFLECTION

One design change I will implement immediately:

One environment change I will make this week:

One person I will move closer to (or create distance from):

What I want my life to feel like 90 days from now:

Remember: This is about building a structure where you trust your mind because your mind already knows how and is way smarter than you think.
